

January 26, 2011

Dear parents,

As we are set to begin our push for enrollment with the beginning of Catholic Schools' Week, we are sending home copies of the registration forms for all current school families. If you have any questions regarding the registration forms, please contact the school office.

Also related to Catholic Schools' Week, we had one scheduling change. The volleyball game, originally scheduled for Wednesday morning, will be moved to Friday morning. The game will still begin at 10:30. Students will still wear grey wear on Wednesday and uniforms Friday. The movie the students watch will be Toy Story 3. Students will be able to purchase popcorn during the movie in either a 50 cents or \$1 size. Money will be used for student council service projects. Don't forget about our peaceful pennies competition. The class that raises the most money for The Open Door Café will win an additional grey wear day. Pennies count for your group and silver counts against. The winner will be announced the Monday after Catholic Schools' Week. To help keep track of all Catholic Schools' Week information, an additional copy of the schedule is included in the folder.

My last point for Catholic Schools' Week for this year is another request for help. If you are willing and able to help in any way with the pancake breakfast/open house, please let me know. Also, please help with advertising for our open house by making those personal contacts with people who you think would love St. Joan of Arc Parish School. These personal invitations speak volumes more than any signs, fliers or print ads.

The February 5 episode of "Catholic Financial Life presents Living Our Faith with Archbishop ListECKI," will focus on the archbishop's three pastoral priorities: stewardship, evangelization and Catholic identity. Dr. Dan Scholz from Cardinal Stritch University will join the archbishop. Watch "Catholic Financial Life presents Living Our Faith with Archbishop ListECKI," Saturday, February 5 at noon, on WISN TV 12. The program also airs on Time Warner Cable's Wisconsin On Demand, Channel 411.

Don't forget that Friday, February 4 is an early release day for optional conferences in the afternoon. All students will be dismissed at 11:15. Please call if you would like to request a conference with any teachers. Also please remember to come out to see the amazing talents of our students at the annual talent show that evening at 6:30. Admission proceeds will be used to ship our collected books to Africa.

Last week's FROG award winners are Emily Clausen, Harrison Puestow, Courtney Sturm and Javin Warren. Congratulations for Fully Relying On God!

God's Blessings,

Mrs. Holly Cervený
